# About Us

---

Flybed is a brand that manufactures bedroom furniture, specifically Wall Beds. Unlike the ordinary space consuming beds, Flybed renders a bed that can be folded and turned into a wall after use.

Flybed is a technical company which has done lots of Technical Research & Analysis to develop its products to meet the practical requirements and last forever.

## Why Us?

We follow the best Industrial Practice.

All our beds have butter smooth lowering operation. Just pull and leave to see the magic

Our team includes Experienced Engineers & Architects

We offer full range of Customization in Size & Finishes.

World Class Product with collaboration of European Technology.

We have PAN India Delivery & Installation Network.

We use Top Quality material to manufacture our beds.

We use Recyclable Environment Friendly WPC Panels which are even better & expensive than Marine Ply.
