CAUSES OF DEATH
IN THE WORLD

Heart Disease KEY FACTS

World Health Organization

No. **1**

CVDs - The number 1 cause of death globally:
More people die annually from CVDs than from any other cause.

17.9
million

An estimated **17.9 million people died from CVDs in 2016**, representing 31% of all global deaths. In these deaths, 85% are due to heart attack and stroke.

Over three quarters of CVD deaths take place in low and middle-income countries.

82%

Out of the 17 million premature deaths (under the age of 70) due to non-communicable diseases in 2015, **82% are in low and middle-income countries** and 37% are caused by CVDs.

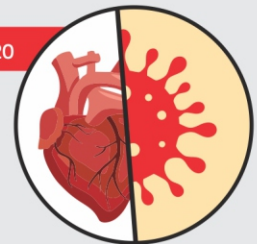

- Heart Attacks in young adult are related to unhealthy lifestyles.
Ref: European society of cardiology. Aug 24, 2021
- The largest group of women at risk of CVD are aged 35-44 years.
- In India, women are more at risk of heart disease today than they were 3 years ago.
- 69% of housewives and 67% of working professionals in India are at the risk of CVD.

Death due to heart attacks in India up by 53% in 5 years : NCRB Ref: Deepak K Dash | TNN | Sep 4, 2020

Covid 19 and adverse effects on heart

Increased risk of some adverse thrombotic events leading to hospital admission or death were observed in the 28 days after first doses of vaccines. The risks of most of these events were substantially higher and more prolonged after SARS-CoV-2 infection.

Terminalia Arjuna : An ancient cardio-protective herb that improves the efficiency of the heart and blood circulation. Also called as 'Herbal Hero for Heart', is a powerful anti-oxidant as well.

Pure **Apple Cider Vinegar** removes toxin from body, lowers cholesterol & triglycerides.

Juice of handpicked **Garlic** pods, suitable for diabetic patients, increases HDL (Good cholesterol), reduce plaque build-up and hence prevent the progression of heart diseases.

Already an anti-fungal and anti-viral, **Ginger Extracts** reduces the LDL cholesterol levels. It instantly cures clotting and relaxes blood vessels.

Heavenly drops of **Lemon** slackens the progression of atherosclerosis (hardening of the arteries).

Why Arjuna?

Since **Vedic Period** in many ancient Indian medicinal texts including - **Charaka Samhita**, **Sushruta Samhita**, and **Astang Hridayam** described Arjuna's stem bark powder in heart ailments.

Arjuna - A Herbal Hero In Heart Ailments
