## Terms & Conditions

1. Flat tyre support includes puncture fixing, tube change, stepney change and air filling. (More than one puncture fixing per incident will attract local charges)
2. Towing service in case of a total breakdown/accident which cannot be fixed on the spot (maximum of 50 Kms per incident, beyond 50 Kms will be charged as per market rate)
3. All the spares, consumables and additional repairing beyond the coverage of subscription are charged as per the actuals. Any pre-existing incident which occurred before the activation period will not come under subscription cover
4. Parking, toll & permit charges to be borne by the customer, if any
5. Any women customer availing Towing Services, ReadyAssist shall provide INR 300/- for her travelling expenses only when stranded alone

6. Incident waiting time will be a max of 30 minutes in case of customer's unavailability after the service provider reaching the incident location
7. Battery swap service will be provided only if battery provided by dealer. Customer has to confirm with dealer before requesting the service.
8. Taxi bill of up to 1000 INR will be reimbursed in case the breakdown issue cannot be resolved on the spot (applicable only for selected plan)
9. Accommodation of up to 1500 INR will be reimbursed, only if the breakdown issue cannot be fixed on the spot after 8PM only
10. Accommodation and Taxi support can be claimed one time as part of subscription for eligible plan
11. Police clearance is mandatory for towing in case of an accident vehicle
